**ARMY BULLETIN NO. 25**

**23 October 2001**

**FIELD KITCHEN GRAY WATER PROCEDURES AT FORT DIX, NEW JERSEY  
(DOL)**

1. Reference: US Army FD PAM 350-3, AR 30-21.
2. All tactical training areas at Fort Dix, New Jersey are considered "Gray Water" restricted.
3. Units with gray water trailers will transport them to Ft. Dix, NJ, to support the conduct of field kitchen operations. At the completion of scheduled training activities, all gray water will be disposed of prior to return to home station. Dump sites for gray water trailers are located in TAC Areas 33 & 34. The areas are marked "Gray Water Dump Site", with orange manhole covers identifying the actual disposal point. Other dump sites are coordinated through the Senior Training Manager, Luci Salas, 5513 Texas Avenue, (609) 562-5149, DSN 944-5149, Fax (609) 562-5341 or e-mail: [Luci.Salas@dix.army.mil](mailto:Luci.Salas@dix.army.mil), prior to reporting to Fort Dix, NJ.
4. Units without "Gray Water" trailers, can request them through the Senior Training Manager, prior to the unit's arrival at Fort Dix, NJ. Requests for gray water trailers must be forwarded with unit training site requests to ensure proper and timely coordination of the units requirements. Units will request a MIPR through DOL-BA, to cover the cost of the rental, setup and pumping of gray water from the trailers.
5. POC for additional information, CW2 John S. Garrison, (609) 562-0216.
